Wisdom is the ability to use knowledge and experience to make good decisions. It is not just knowing facts, but knowing how to use them. Wisdom is a skill that can be learned and improved over time. It involves understanding the consequences of our actions and making choices that are in the best interest of ourselves and others.

WORDS OF WISDOM

The most valuable thing you can have is not money or power, but a wise heart. It is the great purpose of a man to be a contributor to the betterment of humanity, and not a consumer of earth's goods. Unless you have feelings of respect, nothing will bring all day with us, for long.
